BEST IN SHOW

The Home Edition of
THE FESTIVAL OF THRIFT

BEST IN SHOW

So, you think you are a thrifty dresser?

Maybe your window boxes are upcycled?

Is your front garden full of repurposed plant pots?

Do you reuse and repurpose around your home?

Each year at our festival we celebrate and reward thriftiness in all its creative glory. This year we challenge you to 'thrift your place' and compete with your neighbours to win "Best in Show"

Retro looks, environmentally savvy inventions, home-made glitz, charity shop finds. ..whatever floats your boat – **REMEMBER** though they must be thrifty!

Send in your entries with a brief explanation and we will judge the best in show and announce the winners on our social media.
