FESTIVAL OF THRIFT ANTHEM LYRICS

CHORUS

Come one, come all to the Festival of Thrift
Come big and small to the Festival of Thrift
A celebration across the generations
Inspiration and innovation
No, you don't want to miss the Festival of Thrift
(tell us about it, go on and shout it)

VERSE 1

The beating of the Earth pulses through our veins
An unexpected gift to lift our hearts again
We're cultivating. We're animating
Enjoying simple things. Moving, joining in

CHORUS

VERSE 2

See spectacle and wonder, a feast of surprise
A carnival of gladrags parade before our eyes
Taste buds tingle, aromas start to mingle
Hear the music play, drifting through the day

CHORUS

MIDDLE 8

Everyone is welcome to join in our endeavour
Reusing and upcycling old junk into new treasure
Let's craft a better future. Thrifting leads to thriving
Sustainable intentions for more than just surviving

CHORUS

(tell us about it, go on and shout it)
(we wanna hear it, yell it and cheer it)
(knit it and know it, stitch it and sew it)

You can get involved - just [download a part](#) and start singing along. The four recorded voice parts are: Soprano (High - the tune), Alto (Middle), Tenor (Low) and Bass. You can also download the [lyrics](#) and [scores](#) to help you.
